Spring 2022

The church as it was meant to be...

We've been through so much over the last two years and perhaps it has made us question what being the church really means. And so for this Spring term, we're going to be looking at the church as it was meant to be, from the first half of the book of Acts. What we see there is the New Testament church soon after Jesus has ascended working out together what it means to be the church. There is much for us to learn as we seek to be the church that Jesus wants us to be in these villages and beyond.
